It is to inform that the Mission Director, MEPMA has issued instructions for verification of livelihood units and online updation of data in all the ULBs. During the regional review meetings and tele conferences the Special Director directed to update data relating to all units together with working contact numbers of SHG entrepreneurs. Further it is informed that call center was established in Hyderabad for regular monitoring purposes. The call center executives may call at any time to any entrepreneur regarding unit details for verification and Hon'ble Minister, Special Director are interacting with SHG entrepreneurs regularly based on online details. So if any information about SHG entrepreneurs is found to be wrong the concerned CO, TMC are responsible and action will be taken on them.

It has come to our notice that there are lot of mistakes in data updation . The COs and TMCs should visit each and every unit personally and collect accurate information and cross check the mobile numbers once to find out as to whether they are working or not. After that information has to be updated online .

All the Project Directors are therefore requested to focus on this item of work and complete updation of accurate information together with working contact numbers of entrepreneurs. PDs should monitor the said work on daily basis and complete the task by end of February 2016 without fail.

**Yours faithfully,**
