Sub: MEPMA – Implementation of various schemes to the Urban Poor – Sending of “**Success Stories**” on each and every activity pertaining to your District by 25<sup>th</sup> of every month to Head Office – Instructions – Issued.

--oOo--

You are all aware that MEPMA is implementing various schemes in the districts for the Socio-Economic development of the poor families in urban areas for the last 8 years. It is noticed that in most of the districts, no. of individuals/groups are earning substantial additional income through establishment of different types of income generating units. Most of the DPMUs are implementing various activities in the field of Training, Health & Nutrition, Social Security, Education, Gender, Shelter for Urban Homeless etc., which have become a Model/Best Practice. In order to showcase the best practices that are implemented in the districts, all the Project Directors of DPMUs/GVMC/VMC are requested to document such best practices by making a short film or publishing booklets so as to create awareness among the stakeholders as well as public about implementation of various Government schemes in the ULBs with the intervention of MEPMA.

In addition to the above, Project Directors are further requested to send at least 5 individual/group Success Stories to Head Office on or before 25<sup>th</sup> of every month to enable us to incorporate in the monthly magazine proposed to be released from May, 2016 onwards.

Sri R.Kesavacharyulu, PA to MD will be the contacting person with PDs for collection of Success Stories under all activities.
