- Issued —Reg.

Ref:- 1. Lr Roc.No.234/2015/LH/MEPMA/C dated 14/9/2015
2. Lr Roc.no.234/2015/LH/MEPMA/C dated 24/1/2016

The Project Directors are aware of the instructions issued vide reference 1st and 2nd cited on strengthening of City Livelihood Centers at various NULM ULBs to provide services to citizens on self-sustainable model. As per the reports all districts have established City Livelihood Centers in all NULM towns. Further it is informed that instructions have already been issued to identify services to be provided to the citizens such as Plumbing, Electrical works, Ac & Refrigerator repair, Painting, Cell phone repair, Masonry work, Driving and Carpentry etc. More services can be added based on the local demand in future at the District level. All the PDs have to conduct awareness camps and display publicity to bring to notice of the public about the services rendered by the City Livelihood Centers.

It is informed that certain CLCs are getting 2 to 3 services per day which is very low. The PDs are therefore directed to take immediate action on strengthening of CLCs through awareness camps, publicity and capacity building programs etc., to increase the volume of services. After strengthening of the CLCs and developing own corpus funds Honorarium to CLC staff who attends CLC activities regularly has to be met from the CLCs own corpus funds. but not from the project funds

Further the Project Directors are directed to visit CLCs regularly and take immediate action for Strengthening and sustainability of the CLCs.

Yours faithfully
