Dated 25.7.2016

Sub: - MEPMA – Livelihood – Grounding and online updation of Livelihood Units in the all ULBs for the year of 2016-17 – CO wise and RP wise targets - certain Instructions – Communicated – Reg.

Ref : Regional rivew meeting at Visakhapatnam dat: 20/7/2016

It is to inform that the Mission Director,MEPMA has issued instructions for online updation of livelihood units data in all the ULBs. During the regional review meetings the Mission Director directed to update data relating to all units together with working contact numbers of SHG entrepreneurs. Further it is informed that targets for livelihood units for the year of 2016 -17 were communicated to all Districts. Based on the targets all the PDs have to fix target of 100 units per SLF RP. All the PDs are instructed to monitor and conduct review meetings with SLF RPs once in every 15 days regularly and to achieve the targets.

It has come to notice of Head office that there are lot of mistakes in the existing livelihood units data . The COs and TMCs should visit each and every unit personally and collect accurate information and cross check the mobile numbers once to find out as to whether they are working or not and after that information has to be updated online .

All the Project Directors are therefore requested to focus on this item of work and complete updation of accurate information together with working contact numbers of entrepreneurs and to monitor the said work on daily basis.

Yours faithfully,

For MISSION DIRECTOR
