**Lr.No.202/EST&P/2016, dated: 29-07-2016.**

Sir/Madam,

Sub: - APMEPMA- NULM-EST&P- Certain Instructions on grounding of Self-Employment units and placements in wage employment for the trained candidates for the year 2015-16 - Regarding

\*\*\*

With reference to the subject cited, it is informed that after completion of training under Employment through Skill Training and Placement programme (EST&P) all the candidates have to be settled either in self employment or wage employment immediately. But it is observed that even after completion of the training programme long back most of the candidates have not been settled either in self employment or placed in wage employment which is very unsatisfactory. Therefore it is decided to concentrate exclusively on grounding of self employment units and placement in wage employments during the 1<sup>st</sup> fortnight of August, i.e. from 01-08-2016 to 15-08-2016.

Therefore, all the Project Directors are requested to follow up batch wise grounding of self employment units and placements in wage employment and ensure that grounding of all the self employment units and placements in wage employment are completed on or before 15-08-2016 and all the trained candidates should be settled either in self employment or placements in wage employment without fail.

Further, all the Project Directors are directed to see that all the self employment units grounded are uploaded in apestp web portal together with photographs as indicated in the "SweeyaDruvikaranaPatram" and that all the placements in wage employment should also be uploaded.

Yours faithfully,

MISSION DIRECTOR
