All the Municipal Commissioners in the State.

Rc.No. 477/Chandranna Bhima/MEPMA/2016,Dated: -09-2016.

Sir

Sub: AP MEPMA – Chandranna Bhima – Speedy implementation of Chandranna Bhima – request –Reg

-:-

During the review meeting held on 26-09-2016 with all the functionaries of MEPMA, it is observed that the progress of enrollment of un organized workers under Chandranna Bhima is slow and not up to the expected level of 40%.

In this connection, it is informed that the Government is considering this programme as priority and Hon'ble Chief Minister is going to launch the programme on 2nd October 2016.

In view of the above, immediate action needs to be taken to improve the progress of work. I therefore request you, kindly to concentrate on this work and advise the enumerator team to cover all the eligible persons especially all SHG women who are doing petty businesses such as rearing of cattle, running small shops, vegetable stalls and street vendors etc. under Chandranna Bhima to improve the progress. Further, it is requested all the Project Directors of MEPMA to make publicity of the programme through voice announcement by engaging autos etc.

Yours faithfully,

MISSION DIRECTOR
