Lr Roc No 965/IT/2016/MEPMA, dated:04-03-2017

Sir,

Sub: - MEPMA Aadhar Based Biometric Devices – Supply from APTS – Certain Guidelines for their usage – Regarding

-:-

I invite your attention to the subject cited wherein Aadhar Enabled Bio Metric devices are being supplied to your office by AP Technology Services. It is to inform that the Aadhar Enabled Bio Metric devices need to be utilized for the below mentioned activities.

1. City Livelihood and Service Centers (CLSCs): for capturing the attendance of training programs
2. Night Shelters: for capturing the beneficiary details
3. MAS trainings and meeting attendance
4. Meetings conducted at District & ULB level
5. Daily attendance of MEPMA functionaries

In order to use the devices, you need to procure Data enabled SIMs. Airtel and Idea have agreed to provide the SIMs on a monthly rental of Rs 175 for 2GB 3G Data. You can approach them based on your network availability.

IT Team from MEPMA Head Office will be guiding you and give training on how to register in the website and how to capture the attendance details during 1st and 2nd weeks of March. You are requested to get the information ready for registration and start using the devices for the above mentioned activities.

Thanking you,

Yours faithfully
