Sir/Madam,

Sub: - MEPMA - EST&P - 2016-17 - Visiting of the Training centers –Certain instructions issued - Regarding.

Ref: - Lr.No.202/MEPMA/EST&P/2017, Dated: 13-3-2017.

In the reference cited, instructions have been issued to all the Project Directors to visit all TrainingCenters at the time of approval and ensure compliance of all the non-negotiables such as provision of CC Cameras with static IP, Adhar based Bio-metric, Sufficient Infrastructure, etc before approval.

In case of Basic Sewing Machine & Surface Ornamentation Course, all the Project Directors and Project Officer, VMC arerequested to ensure that new MERRITT (POPULAR) OR USHA (UMANG) should be used for Training purpose (in ratio of 1:2). If the STP wants to hire the machine for training purpose, it should not be more than 6 months older machine and must be in good condition. They should produce the proof of date of purchase of the machine. No machine having more than 9 months old can be used.

Each center must have One Trainer, One Assistant and Center in charge.

Basing on the request of the individual Trainee, MERITT (POPULAR) or USHA (UMANG) with colour and Kit (Rs.800/- worth)should be supplied.

No franchisee allowed.

Any deviation, found by the vigilance team or any other team, the Project Director and DMC (LH) will be held personal responsible apart from the STP.

Yours faithfully,

MISSION DIRECTOR
