\*\*\*

The attention of the Project Directors, MEPMA in AP State is drawn to the reference cited.

It is brought to the notice of the Government that few Projectors of MEPMA are utilising the service of DMCs/TEs for day to day office work instead their regular activities, which is highly objectionable. Technical Experts/DMCs are deployed for particular activities not for office work. They should visit the U.L.Bs as per instructions of the Mission Director, MEPMA, AP and as per the Circulars issued from time to time.

Hence, all the Project Directors, MEPMA are requested to adhere the instructions strictly, without any deviation.

**MISSION DIRECTOR.**
